

GOLDEN OCALA GOLF & EQUESTRIAN CLUB

GOALS

Golden Ocala Golf & Equestrian Club wanted to synchronize all their activities to make it more user friendly. Having 700+ members they wanted to provide them a round-the-clock experience.

They wanted to offer a modern, feature-rich platform with regular updates and court booking options to keep the community connected.

SOLUTION

Golden Ocala partners with Clubs Caddy to optimize their day to day operations.

Now, the members have a wide range of sports and clubs options available to them on their mobile devices. Clubs Caddy team developed one-of-a-kind platform that is feature rich and addresses every need of a modern club

Members have a wide range of recursive reservation options available to them.

RESULTS

Apart from the enhanced member experience, Golden Ocala has seen a decline in no-shows at the courts and an overall satisfaction among their club community.

“
75% of our employees' time is saved due to easy-to-use mobile app. Our members think Clubs Caddy is
Excellent!

”
